Opportunities to expand your service

Habitat of Lake-Sumter has many opportunities to partner in the effort to create safe affordable housing for those living in substandard or overcrowded conditions.

Family Services: Volunteer in the Family Selection, Family Partner, or Homeowner Education areas. Please call Family Services, at 352-483-0434 ext 15.

For information on the following opportunities, please contact the Volunteer Coordinator at 352-483-0434 ext. 13.

Construction: Pick up a hammer and nail and lend a hand. This also includes those who rehydrate the crew or bring snacks, and those who pick up the loose nails and bits of lumber. Everyone can help!

Thrift Store positions: volunteers to sort and price donated items, serve as cashiers, customer assistants and display designers.

Volunteers Needed for Wildwood Site Next Week

Work will continue at the Wildwood work site on Wednesday and Thursday of next week (the 4th and 5th). The address is 6761 CR 148 Wildwood (located next to the Wildwood Thrift Store.) Our Site Supervisor is Ed Pick. If you have any questions, please give Ed a call at 410-200-3369. You can sign up through Volunteer Hub to let us know when you will be there.

Hope to see you on the site!

Volunteer Schedule & Affiliate Calendar

To find the current Habitat volunteer work schedule, click on the icon and it will take you to the online calendar. If you have not used Volunteer Hub before, please take the time to register. The calendar has all upcoming work dates as well as special events for the affiliate. Dates are continually being added, so check back frequently.

If you are interested in working on an upcoming job site, please follow the directions to sign-up for that day. This will help us VERY MUCH as we strive to make sure we know how many volunteers will be on site. We want to have enough materials and supervision available each day. Also, in the event of a change of plans, we will be able to notify you by email in advance so that you will be aware of the change.

If you have questions about registration, please call our volunteer coordinator at 352-483-0434 ext. 13.

Stamp collectors and sorters: Help is always needed to collect, soak, sort, and prepare stamps for sale.

Can collectors: These dedicated few take a HFH Lake-Sumter truck each Tuesday to collect and sell aluminum cans.

Office assistants: file, sort, fold, answer phones and take messages, etc.

Habitat for Humanity is truly a volunteer driven organization.

We appreciate each one of **you!**
